

‘Business Watch’

Kamloops Community Policing has just launched a new program called ‘Business Watch’.

Business Watch is a program whereby the police and businesses in Kamloops work together to reduce crime and increase safety through prevention, sharing information and education.

It is important to note that Business Watch is a combined effort between the merchants and the RCMP and can only be successful if everyone participates.

Some of the benefits to businesses are:

- ❖ Crime prevention material/literature available on any topic
- ❖ Free educational sessions to business owners and employees on safety, security and other business related topics (upon request)
- ❖ Individual problem solving
- ❖ A quarterly newsletter which will include crime statistics and relevant information for the business community.

All the businesses in Kamloops should be receiving a letter in due course inviting them to join Business Watch. If you have any questions, please feel free to contact the coordinator:
